About Us

Friends of Rib Mountain State Park, Inc. is a group of volunteers organized for the charitable and educational purpose of assisting the Wisconsin Department of Natural Resources to improve, preserve, and promote Rib Mountain State Park.

Incorporated as a non-profit 501(c)(3) organization in 1993, the Friends, along with many area donor and foundation partners, has provided funding and manpower for improvements to the park including:

- Development and mapping of hiking trails
- Construction of the scenic amphitheater reservable for weddings and other events
- Construction of the Friends Gathering Space for meetings and park events
- Acquisition of a 38-acre addition to the east part of the park
- Interpretive panels
- Creation of an Endowment Fund for future benefit to the park
- Purchase of equipment items for park maintenance
- Parking areas and lighting
- New park playground
- Walkway expansion projects

The Friends group operates Top of the Rib concession stand within the park, and provides viewfinders at scenic overlooks. Profits from the concessions support park programs and facility improvements.
